When questioned regarding the performance, jockey W Satherley could offer no explanation for the performance and added that his mount travelled well throughout the event but when he asked for an effort, FLYING AURION failed to respond to his riding and went to the line in a disappointing manner. Jockey Satherley further added that he had no concerns with his mounts action or condition during the event and was at a loss to explain the overall performance. Vet exam revealed no abnormalities.

Wheeler stated it had been his intention to ride in a more forward position, however with the removal of the blinkers from the horse's gear, the gelding was tardy away and unable to muster speed. He further added when restraining from heels near the 800m, the gelding raced ungenerously for a short distance with its head in the air. Lost the off hind plate in running.
