S. Comments:When asked to comment on the performance of his mount, which he indicated was disappointing, stated that the horse settled at the rear of the field, as is its recent pattern, and despite travelling comfortably throughout did not respond to his riding and was very disappointing in the run to the line. He could not offer any tangible explanation for the performance other than to state that carrying 60 kilograms may have had some bearing. A post race veterinary examination failed to reveal any significant abnormalities and a swab sample was taken.

S. Comments:Passing the 300m laid in despite efforts of its rider. Trainer explanation re seemingly improved performance - gelding only been in his care for last couple of runs and at its last start was not suited over the shorter distance and did not appreciate dirt racing surface. Added in previous run performed quite well in Townsville Cup and with the small field today over a more suitable distance did expect a better performance however, was quite surprised by the win.

S. Comments:Rider questioned re tactics in early stages where from outside barrier he rode forward and led race, in contrast to horse's most recent racing pattern - explained tendency to be slow to begin and for this reason rode with vigour early. Added when it began well and showed early speed rather than be caught in a midfield position wide elected to stride forward to take the lead when runners to inside did not show an intention to hold that position. Trainer confirmed not intention to lead but to be more positive and take up midfield position. Explanations accepted.

Jockey S. Cormack, rider of REMLAPS ROCK, was found guilty of a charge of careless riding, in that after shifting to a position one off the fence he then allowed his mount to shift in whilst riding under heavy pressure, resulting in the horse shifting back in towards the fence, tightening the running of RABBIT HUNTER, which had improved to the inside of REMLAPS ROCK at that stage, causing the rider of that horse to check the gelding after being tightened
