He added that the horse travelled comfortably throughout today's event, however failed to quicken in the home straight when asked for a finishing effort. Trainer D Vandyke advised Stewards that he was somewhat disappointed with the geldings finishing effort and would monitor the horse in the coming days.

S. Comments:Bumped near the 300m. Jockey J Byrne explained that he was instructed to allow the filly to settle where it was comfortable and to not overly pressure the filly in the early stages. Mr Byrne further advised that he had anticipated settling further forward however as a consequence being awkwardly placed inside the heels of KAYTEE REINADO in the early stages he was obliged to take a trailing position behind that runner and as a result he settled further back than he had anticipated.

S. Comments:Over raced in the middle stages. When asked to comment on the performance of the gelding, jockey A Allen reported that the gelding raced greenly during the event and as it was only having its third start in a race today it would derive a significant benefit from the race experience of today's event. Jockey Allen added that he advised trainer P Duncan that in his opinion the gelding would also benefit from the addition of blinkers to its gear. Trainer P Duncan advised that the gelding would now be sent for a spell. A post-race veterinary examination failed to reveal any abnormalities.
