 S. Comments:Mr B. Gordon, representative for trainer B. Laming, was questioned regarding the horse's seemingly improved performance today as compared to its most recent starts. Mr Gordon explained that the horse was second up today and at its previous start it was obliged to race wide and hung out in the home straight, which placed its rider at a disadvantage. He added that the filly had blinkers, a lugging bit and bubble cheeker on the nearside today, which in his view was advantageous to its performance. He added that SWISS LOVE was well ridden today when able to lead and dictate the tempo of the race.

S. Comments:Bumped heavily at start and became unbalanced. Near 1100m checked after improving onto the heels of DEEP LEAD. Rider questioned re performance - stated after receiving interference at start was unable to take up a forward position as anticipated. Added attempted to comply with instructions and improved forward however, filly failed to show necessary speed and instead of being caught wide elected to obtain a position with cover towards rear of field. Added filly ran on fairly over concluding stages and in his opinion would appreciate a step up in distance. Vetted - no abnormalities.
