He indicated after being slow to begin his mount did not muster any early speed and he was obliged to pressure the horse throughout the early and middle stages in order to maintain contact with the main body of the field. He added however that PARIS CRYSTAL finished off well and was doing its best work over the concluding stages. He therefore recommended to connections to step the mare up over more ground.

improve between runners. Jockey Harrison explained her intention was to remain in a trailing position until rounding the home turn and then look to secure

clear running to the outside, which the mare's appreciates and is its usual racing pattern.

Rider re tactics - explained after beginning fairly from wide barrier and then laying in shortly after start and bumping heavily with DARK ARCHER then allowed to balance up and elected to restrain to rear to find a position closer to the rail as he was of the opinion if he had pressed forward may have been caught wide. Added as gelding having first start over 1400m of the opinion going forward would have been detrimental to its chances to finish race off.
