S. Comments:Raced three wide with cover throughout. Pulled up quickly passing the winning post. A post-race veterinary examination found the filly to be suffering from significant heat stress and the horse was treated on course. Connections were advised that the horse would be stood down from competing for a period of 7 days.

He indicated his mount was making an abnormal respiratory noise and then weakened badly over the concluding stages. A post race veterinary examination revealed the horse was making an upper respiratory noise and cardiac arrhythmia. Connections were advised that the horse must undergo an endoscopic examination and an ECG, with results reported to stewards prior to trialling satisfactorily.
