Added held up approaching and passing 200m and when able to get clear mount worked home strongly. Further added had he gone wider rounding home turn would have covered significant extra ground which would have been detrimental to his mount's chances.

S. Comments:Rider explained mount travelled comfortably and relaxed in the early stages however, after 1400m when the leaders steadied the tempo his mount commenced to overrace and despite his efforts was unable to maintain position one off with cover and rather than unnecessarily restrain felt he had no other option than to allow it to stride forward and was then caught racing three wide without cover from the 1000m on.

S. Comments:Raced keenly for a short distance near 1100m. Laid inwards over final 100m. Rider questioned re racing in a rearward position - stated originally his intention to race forward however, after jumping only fairly found himself racing three wide to the outside of FRESPANOL. As such rather than be caught wide he obtained cover following FRESPANOL., expecting that horse to maintain a forward position. Soon afterwards runners to the outside crossed FRESPANOL which resulted in his mount racing further back than he would have liked.

Rider questioned re manner in which he rode mount out over concluding stages - explained stopped riding after passing 100m when concerned if he continued to ride mount along he would have been awkwardly placed at heels of SIR MAGIC, which was continually shifting in. Added of the opinion his mount's run had come to an end and being out of contention he desisted form pressuring it in the run to the line. Stewards accepted explanation.

S. Comments:When questioned regarding the horse's improved performance, trainer L. Richardson explained that at the mare's last start she was obliged, from the wide barrier, to settle further back than anticipated and was then able to finish the race off well. He added that today the mare was able to find a more prominent position and in his opinion the step up in distance to 1400m, combined with racing at its home training track, all contributed to today's performance.
