Griffin stated that after being caught wide in the early stages and the lack of speed in the race, he elected to allow the gelding to improve forward and obtain the lead near the 1200m.  
 Co-Trainer B. Guy confirmed those instructions to improve forward should he be caught wide as the horse had raced in this manner over the longer distances previously. Co-Trainer B. & D. Guy were advised that a warning would be placed on the geldings barrier manners.

McGillivray advised that it was always his intention to lead in the race, however after being ridden forward to lead from the wide barrier, his mount refused to settle after passing the 1100m and overraced for the majority. He added that, in his opinion, the combination of the extra pressure being applied in the early stages and the horse overracing may have contributed to its finishing effort today.
