S. Comments:When questioned by Stewards regarding the gelding's seemingly improved performance, Trainer T. Lunney advised that, in his opinion, the horse is better suited when its races are spaced apart which was the case leading in to today's race. He added that the gelding also performs best when it races at Toowoomba and, for that reason, he had expected an improved performance today.

S. Comments:Began awkwardly. When questioned by Stewards regarding the seemingly disappointing performance, Apprentice M. Wishart advised that after being caught 3 wide without cover in the early stages, she permitted the gelding to stride forward to obtain a position with cover near the 1000m. She added that her mount travelled comfortably throughout, however when placed under pressure in the home straight it failed to respond to her riding. Refer to full report for comments from trainer's representative Mr. M. Currie. A post-race veterinary examination of the gelding revealed no significant findings.
