S. Comments:When asked to comment on the performance of his mount, which he indicated was disappointing, stated that the horse settled at the rear of the field, as is its recent pattern, and despite travelling comfortably throughout did not respond to his riding and was very disappointing in the run to the line. He could not offer any tangible explanation for the performance other than to state that carrying 60 kilograms may have had some bearing. A post race veterinary examination failed to reveal any significant abnormalities and a swab sample was taken.

S. Comments:Passing the 300m laid in despite efforts of its rider. Trainer explanation re seemingly improved performance - gelding only been in his care for last couple of runs and at its last start was not suited over the shorter distance and did not appreciate dirt racing surface. Added in previous run performed quite well in Townsville Cup and with the small field today over a more suitable distance did expect a better performance however, was quite surprised by the win.

S. Comments:Jumped away very awkwardly and made heavy contact with the barrier partition, almost dislodging the rider's off-side foot from his iron. Near the 1200m shifted wider on the track to improve to secure a position running second on the fence at a point passing the 1000m. A post race veterinary examination revealed the horse had an abrasion to the off-side hip consistent with having made contact with the barrier partition.

S. Comments:Rider questioned re tactics in early stages where from outside barrier he rode forward and led race, in contrast to horse's most recent racing pattern - explained tendency to be slow to begin and for this reason rode with vigour early. Added when it began well and showed early speed rather than be caught in a midfield position wide elected to stride forward to take the lead when runners to inside did not show an intention to hold that position. Trainer confirmed not intention to lead but to be more positive and take up midfield position. Explanations accepted.
