Shinn explained that the gelding travelled reasonably well throughout in a favourable position and when asked for an effort in the home straight proved disappointing. Trainer T. Gollan advised that in light of today's performance he will consider starting the gelding in races of lesser class than that of today's event and have it ridden in a more positive manner.

He also added that, in his opinion, the horse may not have appreciated the soft racing surface.

A post race veterinary examination failed to reveal any significant abnormalities. Trainer's representative Mr M. Henderson indicated they would have veterinary tests performed during the week and would report back to stewards the results. He also added that, in his opinion, the horse may not have appreciated the soft racing surface.
