When questioned regarding the run, apprentice A. Thompson said with his mount's big weight, he elected not to go too early, however, in a slowly run race when runners improved after passing the 1000m he was shuffled back in the field and thereafter when placed under pressure making the turn into the straight, CAPITAL GAIN ran on fairly. Rider questioned as to why he did not attempt to follow ART ATTACK passing the 1000m and getting towards the 800m. S. Comments:Was bumped and became awkward on jumping away. Jockey J. Byrne reported when caught wide in the early stages he elected to press his mount to stride forward to the lead, which he did so approaching the 1400m. He then indicated he attempted to steady the pace of his mount, which then did not respond and overraced badly in the early and middle stages. He added that, in his opinion, this had a detrimental effect on the horse's overall performance. Stewards noted the explanation.

S. Comments:Rider questioned re tactics in early stages where from outside barrier he rode forward and led race, in contrast to horse's most recent racing pattern - explained tendency to be slow to begin and for this reason rode with vigour early. Added when it began well and showed early speed rather than be caught in a midfield position wide elected to stride forward to take the lead when runners to inside did not show an intention to hold that position. Trainer confirmed not intention to lead but to be more positive and take up midfield position. Explanations accepted.
