He felt this was due to the horse, which had its first 2 starts at the Sunshine Coast, seemingly having difficulty getting around the tight circuit today. He added in the straight due to it hanging he was unable to ride the horse out to the best of his ability. Trainer he would make gear changes before its next start, endeavour to have him return to racing at a bigger track.

S. Comments:Slow to begin. Rider questioned. She said after being slow to begin, she rode her gelding along in an effort to improve and near the 900m improved on to heels and had to be steadied and lost ground. She added that the gelding commenced to hang out and continued to do so for the remainder of the event, which prevented her from riding with her usual vigour in the home straight. Vetted, no abnormalities. Must officially trial before racing again.

S. Comments:Questioned re performance and riding rounding home turn - Began only fairly then gelding was slow to muster speed in early stages. Intentions was to trail PROFILER and then shift wider rounding home turn. Gelding over-race and near 600m checked when placed in restricted room to inside of PROFILER. Took a number of strides to regain balance and was unable to improve when continually placed in restricted room to inside of PROFILER until near 400m when unable to place gelding under pressure however, it failed to respond as expected and proved disappointing.
