He added that given that it was the horse's first up run from a spell, he was not overly disappointed with the performance and in his opinion the gelding would be better suited racing over further distances than that of today's event.

S. Comments:Trainer advise intention to obtain cover behind the leaders. Raced outside the lead in the early stages. For some distance passing 800m placed in restricted room to inside of HIGHLAND BEAT and eventually had to be eased. A short distance later taken wider and raced 3 wide without cover for the remainder. Weakened over final 300m. Vetted - lacerations to the off hind leg.

S. Comments:Stewards asked apprentice S. Fawke to comment on the horse's performance. He indicated that although the horse raced very greenly throughout the event, it responded well to his riding in the home straight and he was obliged to stop riding and alter course near the 100m in order to secure clear running. He was of the view that the horse would take benefit from the run and he had recommended to connections to step the horse up over 1600m. A post-race veterinary examination revealed a small amount of blood in the offside nostril as a result of external trauma.
