S. Comments:Raced ungenerously in the early stages, then when placed in restricted room near the 100m, shifted out and was checked from heels.

Continued to race very ungenerously and hung out, being checked from heels on number of occasions between the 800m and 400m before finishing a distant last. A post-race veterinary examination revealed the gelding to be lame in the near foreleg.

however when asked to quicken the mare did so for only a short distance and was under pressure from the 300m. Apprentice Wilson-Taylor added that in his opinion the mare was also not suited by the firm racing surface. A post-race veterinary examination revealed the mare to be short striding in front, however

no further abnormalities were detected.
