S. Comments: When questioned regarding her riding tactics, T. Harrison advised that two starts ago the horse raced in a forward position and last start again it was the intention to ride in that position, however the horse met with interference at the start and then again shortly after the start, which resulted in it settling further back than anticipated. Jockey Harrison further advised that today the intention was to ride in a position forward of midfield, however after being caught wide in the early stages she elected to ride forward and eventually obtained the lead near the 1000m.

S. Comments:Rider questioned regarding her vigour from near the 500m until approaching the 300m. She said she slapped the horse down the shoulder approaching that point and it became awkward and shifted out. She then balanced it again and was concerned that as it was having its first start, it may make the turn awkwardly and she was reluctant to apply full pressure at that point. Stewards advised Ms Lacy that in similar circumstances she would be expected to apply full vigour as the horse had become more tractable at that point, however given her limited experience, took no further action.

S. Comments: Tightened for room at the start. Stewards questioned jockey M. Cahill in relation to his riding from the 700m when it appeared he had opportunity to improve between horses. M Cahill agreed the horse was travelling well enough to improve at this point, however as TUMBLING AL had beer inclined to hang out and he had similar concerns that DREAM SPEED may shift in, he was reluctant to improve into what he felt was only a tight run. He agreed that had he been able to obtain this position it would have resulted in him racing closer.

S. Comments: When questioned regarding the horse's performance, R. McMahon noted that the gelding was first up today from a spell. He added that the gelding raced strongly in the early and middle stages and that this, combined with it being first up, had a detrimental effect on its performance. Jockey McMahon was of the view that the gelding will derive a fitness benefit from today's race.

S. Comments: Rider stated gelding never travelled well after suffering interference coming to first turn and was under pressure. Rider added gelding did not respond to his riding in the straight and as a result he did not persist in riding it out to the line. Trainer informed stewards the gelding had worked well leading up to today's event and could not offer any excuse for the disappointing performance. Trainer undertook to report back to stewards should anything be amiss with the gelding. A post race veterinary examination of the gelding failed to reveal any significant abnormality.

S. Comments: Rider questioned regarding the performance, said that the mare did not appreciate racing in restricted room for some distance in the middle stages. He further stated that he was held up on the heels of Straight Gold for some distance passing the 200m and then thereafter when changing course to the inside of that runner had to steady when Private Secretary shifted out. Added that in the circumstances given that the mare had a chequered passage he considered the run to be better than it appeared on face value. A post race veterinary examination did not reveal any abnormalities.

S. Comments: When questioned apprentice rider advised stewards that after beginning well she elected to restrain her mount after being caught wide in the early stages of the event to a position closer to the rails in a rearward position, which was in accordance with its established racing pattern. She added she was satisfied with her position throughout the event as she was trailing the eventual winner, however when it improved into the race near the 600m she was unable to quicken with that horse and, in her opinion, the mare raced somewhat flat today.
