and the gelding travelled comfortably. She said that shortly after straightening she shifted wider on the track to obtain clear running, however when placed under pressure her mount ran to the finish only fairly, as a result of the heavy impost of 61.5 kg, and in her opinion will derive benefit from today's run.

Stewards considered an objection lodged by S Clenton, rider of third placegetter (Invitations), against Passionflower being declared second, alleging interference approaching the 100m. Stewards found that approaching the 100m, Passionflower shifted out making contact with Invitations, resulting in that runner being taken off its line and bearing in mind the

margin of a nose, the Stewards were comfortably satisfied that had the interference not occurred,
Passionflower would not have finished in front of Invitations and therefore the objection was upheld.

Comments Questioned to overall performance, rider stated after beginn	ing wall be was able t	to take up a bandu posit	on where the godling travelled

comfortably. Commenced to improve into the race rounding the home turn but failed to finish off the race as expected over the final 200m and prove dissapointing. Trainer thought the gelding raced flat today and may be better suited when ridden in the second half of the field. Indicated gelding would be freshened up before its next start. Vet exam - short striding in front.
