Jumped away very awkwardly and shifted out towards the outside fence, dislodging its rider and made heavy contact with the outside fence. Vetted and found to have multiple abrasions of the off foreleg, and large fluid swelling on the top of its near-side knee.

S. Comments:Stewards questioned apprentice M. McGillivray regarding the tactics adopted today which was to lead in the early stages when the horse has not previously led. He indicated pre-race the plan was to attempt to secure cover preferably in a midfield position, however after beginning well it became apparent he would be caught wide he then elected to ride forward to secure a position closer to the fence. He added that the horse was having its first start over 1600m and the mare raced keenly in the middle stages. Stewards accepted the explanation.

He stated that after beginning awkwardly he rode the horse at the tail of the field, which was in contrast to its recent racing pattern. He indicated in hindsight this may have had an effect on the overall performance as the horse had a tendency to lay out in the event and was disappointing from the 600m.

She stated that at that stage of the race the mare was travelling well and she elected to ease out to be ready to place pressure on the leaders on straightening, however her mount was then forced to race four wide. She said when afforded clear running at the top of the straight and placed under pressure, the mare did not quicken and gave ground. She added that she was of the opinion that as the mare has only ever raced on firm tracks, it may not have handled today's soft track conditions.

S. Comments:When afforded the opportunity to comment on the disappointing performance. Jockey T. Harrison stated that after beginning awkwardly from a wide barrier she was obliged to push forward in the early stages in an attempt to obtain a position closer to the rail however, when runners to her inside had improved she was forced to race in a 3 wide position throughout, which she felt was a major contributing factor to the filly's disappointing finishing efforts. A post race vet exam revealed no abnormalities.
