Comments: When questioned as to riding of the gelding, B Ainsworth stated that after beginning slowly she was concerned she would be caught wide so allowed the gelding to settle at the tail of the field with cover. App. Ainsworth added that passing the 500m she permitted the gelding to shift wider on the track as it had previously performed well when allowed to improve to the outside of the field. App. Ainsworth conceded that she had erred in her decision to shift wider passing the 500m and should have endeavoured to save ground rounding the home turn by improving to the inside of BASIC STRATEGY.

S. Comments: When questioned as to his riding in the home straight, Jockey D Chipman stated that after being held up upon straightening the horse was inclined to lay in which prevented him from riding it with his usual vigour. Jockey Chipman added that passing the 150m he was obliged to steady in and away from the heels of GO BETTER and noted the horse was doing its best work over the concluding stages. Jockey Chipman was of the opinion that the horse would be better suited over further distance and with the addition of blinkers. Stewards noted the explanation.

S. Comments:Trainer explained that horse, which has been leading at its most recent starts, had gear changes effected which included blinkers off. As the horse had been racing in the lead and not finishing its races off the intention was to settle in a one out one back position with cover. After travelling a short distance in today's event the horse dropped the bit which allowed REDSSON to cross it resulting in the horse settling further back than anticipated.

S. Comments:When questioned as to his riding in the home straight, Jockey D Chipman stated that after being held up upon straightening the horse was inclined to lay in which prevented him from riding it with his usual vigour. Jockey Chipman added that passing the 150m he was obliged to steady in and away from the heels of GO BETTER and noted the horse was doing its best work over the concluding stages. Jockey Chipman was of the opinion that the horse would be better suited over further distance and with the addition of blinkers. Stewards noted the explanation.

S. Comments: When afforded the opportunity to comment on the disappointing performance. Jockey T. Harrison stated that after beginning awkwardly from a wide barrier she was obliged to push forward in the early stages in an attempt to obtain a position closer to the rail however, when runners to her inside had improved she was forced to race in a 3 wide position throughout, which she felt was a major contributing factor to the filly's disappointing finishing efforts. A post race vet exam revealed no abnormalities.

S. Comments: Slow to begin. Jockey D. Griffin pleaded guilty to a charge under AR137A for excessive use of his whip prior to the 100m. Bearing in mind jockey Griffin's poor record, and that he had previously breached this rule tonight, his licence to ride in races was suspended for a period of 1 week, to commence at midnight, 23 March and to expire at midnight, 30 March.

S. Comments:Rider questioned re tactics, particularly approaching the 1800m. He said he had been instructed to ride the gelding off the fence, and passing the winning post on the first occasion he elected to shift out and race to the outside of COLLATERAL, however, COLLATERAL then shifted out, forcing him 3 wide from the 1600m, and he raced three wide thereafter. Trainer M. Wilson expressed some disappointment in jockey Fradd's ride in that after being caught wide in the early stages he would have expected him to ride forward and take up a position closer than being forced to race in a 3 wide position.
