S. Comments:Began awkwardly. Near the 1100m, was obliged to steady when awkwardly placed. Held up for the majority of the home straight. When questioned, Rdr stated made the decision to shift to the out when rounding home turn, however when the runner in front shifted wider, it resulted in being caught to the outside of the heels of horse and as a consequence, was unable to secure clear running for the remainder of the home straight. Added, that in hindsight it may have been a better option to remain on the rail, availing a run to the inside

S. Comments:Began awkwardly. Held up from round home turn until the 150m, where Rdr elected to shift wider to secure clear running. When questioned re tactics adopted, in particular when a run presented between runners approaching the 150m & elected to shift to the outside of heels, Rdr reported instructions were, if possible, find clear running in the home straight, as mare appreciates racing room. Tnr confirmed instructions & added with addition of winkers, thought it would appreciate racing run & was satisfied when mare was shifted wider. Explanation noted.
