S. Comments:Shifted out passing 1900m. Continued to be ridden from that point & obtain lead near 1200m. When asked re tactics, Rdr said told to put gelding into race if an opportunity arose, adding whilst left rearward trailing position & went forward & put gelding into race earlier than planned, thought this would not be disadvantageous given ridden similar in past. Tnr instructs were to be forward if possible as gelding is one-paced, adding surprised when horse was ridden forward as early as it was. Stewards advised Rdr should have permitted mount to maintain position with cover early.

When questioned re tactics adopted, in particular when a run presented between runners approaching the 150m & elected to shift to the outside of heels, Rdr reported instructions were, if possible, find clear running in the home straight, as mare appreciates racing room. Tnr confirmed instructions & added with addition of winkers, thought it would appreciate racing room & was satisfied when mare was shifted wider. Explanation noted.
