S. Comments:Inquiry re improved performance. Trainer R. Cameron said at the horse's first start this preparation he was pleased with its performance, but was held up over the final stages. He said in a quality race at its most recent start it performed satisfactorily, but weakened at the finish, and after this he elected to experiment with a tongue-tie, and was of the view that this may have been beneficial for the horse's finishing effort. Apprentice A. Denby was fined \$100 for using her whip more than 5 times prior to the 100m.

Rider fined \$200.00 for failing to ride mount out to end of race. Browne's actions had cost the filly third place. S. Comments:Stewards considered an application from jockey that FALKENBURG was denied a fair start due to it having its off hindleg on the barrier partition prior to the start being effected. After taking evidence stewards denied the request as they were of the view that the horse's barrier manners was the reason why the horse missed the start. Inconvenienced 1600m.

BLUE he elected to move forward to ensure that FELL SWOOP did not improve and force him wider on the track, however after being bumped by FELL SWOOP

passing the 800m, his mount was unable to be restrained and for that reason was forced to race three wide without cover.J. Byrne was advised that in similar

circumstances he would be expected to take hold of his mount to allow the horse the opportunity to finish the race off to the best of its ability.

S. Comments:Rider stated he had intended to be more forward on the gelding but, after jumping awkwardly and then being crowded between Speak Fondly and Artlee, which shifted out, he then settled further back than he had anticipated. He added, under its top weight, Charlie Boy then found it difficult to make up its ground in the straight. A post-race veterinary examination did not reveal any abnormalities. S. Comments:Questioned re his riding, stated instructions had been to lead, after commencing well he was able to hold the lead in the early stages. Added that when Perignon improved to his outside, he was content to allow Perignon to cross his mount to obtain cover. Stated that, after obtaining cover, he was then held up in the early part of the straight behind Goldstream when that runner commenced to weaken and it was not until the 200m that he was able to obtain clear running. Vet exam revealed lacerations to both forelegs and a laceration to the tongue. Trainer confirmed the instructions were to lead.

Rider explained he was instructed to gain a position one out one back, however, tempo continued to slow he elected to shift to a three wide position at 700 metres and was reluctant to restrain to ensure the gelding kept in a smooth rhythm. He added the reason was a combination of the slow tempo and that his mount was over racing, however, he should have endeavoured to make a greater effort to remain with cover.Rider acknowledged his error Stewards reiterated that in similar circumstances he should show more initiative than he did on this occasion.

S. Comments:A post race veterinary examination revealed a mild case of the thumps. Trainer D. Vandyke advised stewards that ASTRONOMOS sustained two black eyes Sunday morning. He suspects that it occurred during the running of the race and would explain the disappointing performance. He further advised that the gelding had pulled up fine in all other aspects and would continue with current preparation and head to the Brisbane Cup, 2400m. He advised that the horse tactics will vary being over further distance, will drop back and be ridden cold.
