instructed to lead if possible, however when unable to comply, allowed gelding to stride where comfortable. After viewing footage Rdr agreed could have made a greater effort to restrain mount after being unable to cross inside runner passing the 1000m to allow the gelding a better opportunity to finish race off. Bearing in mind apprentice and relative inexperience, no action taken but to note ride..

S. Comments: Began awkwardly and shifted out. Raced keen early. Laid in under pressure near the 250m in onto heels, eased and shifted wider. When asked about performance, Thr reported mare was not suited by the firmer track conditions & would now consider the immediate racing future. A post-race vet exam revealed the mare to be lame in the off-foreleg. Vet cert required prior to racing again.
