S. Comments: Near the 150m, steadied when tightened. When guestioned Rdr explained last start horse led comfortably, however; today was unable to do so elected to take a sit just off the pace-said gelding was only having its third start & raced greenly, having to apply the whip approaching the 400m-added gelding didn't travel into race like its previous start and although tightened near the 150m, elected not to continue applying pressure from this point. Rdr reminded of obligations to ride mounts out to end of the race, when possible. A post-race vet exam revealed no abs.

S. Comments:Began awkwardly & shifted out. Commenced to race keenly & checked approaching 1300m. Had difficulty securing clear run early in h/straight. Leaving 200m, disappointed for a run, held up and unable to be fully tested for the remainder. Rdr reported approaching 250m, gave consideration to shift to out, however, a short distance later, felt a run had started to present between runners, which attempted to secure but was then disappointed when both runners shifted ground, then held up & unable to fully test mount. to end of race.
