S. Comments: Steadied to avoid heels near the 800m. Momentarily steadied approaching the home turn. When guestioned, rider said after beginning well he obtained the lead, however at the 800m he allowed another runner to cross him. He said from that point the horse proved one-paced and failed to sprint as he expected and ran on only fairly in the straight. He added that bearing in mind the manner in which the horse finished the race off, in his opinion it may have been a better option maintaining the leading position rather than allowing his mount to be crossed. Vetted, no abnormalities. n
