S. Comments:Had to be steaded from heels near the 1400m. R. Fradd explained that from his wide barrier he was obliged to settle further back in the field than he would have liked and this, coupled with the steady tempo of the race, did not suit the horse. He added that he is of the opinion that the horse is better suited to races over shorter distances with a more genuine speed to allow the horse to travel without having to be restrained. S. Comments:Inquiry re performance. Rider said he expected to race more forward but due to the early pace was content to position back in the field following the eventual winner. He added the mare never travelled comfortably and when pressured leaving 500m failed to let down and proved disappointing. Trainer reported that tests conducted days subsequent to race failed to reveal any abnormalities. Noted horse was having first start in tongue tie which it may have resented and as such tongue tie would be removed for next start. Vetted with no abnormalities reported. A swab sample was taken. When questioned regarding the horse's improved performance, trainer indicated that the filly had run well at her first start at Warwick on 26 December, however had not been able to obtain clear running at its most recent starts and was disappointing. He added that he was anticipating a forward showing today.

S. Comments:When questioned as to the performance, App. M Murphy stated that the gelding travelled comfortably in the early and middle stages but when asked to improve leaving the 600m was left flat-footed when the tempo of the race increased. App. Murphy added that the gelding was doing its best work over the concluding stages and may appreciate a step up in distance. Trainer M Lakey was of the view that the slow tempo in the early and middle stages did not suit the gelding's racing style and accordingly he was not overly disappointed with the performance.
