S. Comments:Questioned re performance, rider stated that with blinkers added to the gear he inteded on settling in a forward position however his was

unable to muster early speed and settled further back. Added that his mount started to work into a sprint rounding the home turn however he was obliged to

stop riding it along when it was tightened for room at the entrance to the straight. Added that failed to sprint from this point and was disappointing in its run

to the line. A vet exam did not reveal any abnormality.

fact there was no early speed and as such was reluctant to restrain to obtain cover at rear of field.

Rider noted gelding slow to begin in its jump outs leading in to today's race. Rider added after travelling a short distance elected to restrain to obtain a position in behind TWILIGHT PRINCESS but shortly afterwards obliged to ride gelding along during middle stages to maintain position. Rider further added once able to obtain clear running in home straight gelding finished the race off well.
