that as per its normal pattern the gelding raced in a rearward position. He added he was instructed to improve into the race passing the 600m or 700m as the horse is one paced, however it failed to respond to his riding, and subsequently he advised connections the horse would be better suited to larger tracks over more distance than that of today's event. Stewart advised that he was forced to race wide throughout the event, however despite this he expected, when he placed the colt under pressure, it would respond to his riding better than it did today. Trainer B. Currie agreed with jockey Stewart's assessment and undertook to advise stewards if anything becomes apparent in the days following the event which may have had an effect on the performance.
