S. Comments:Over raced early. Raced wide until leaving the 800m. Round home turn, when shifting wider, bumped and became unbalanced. When asked about performance, Rdr stated filly over raced early and failed to settle into a rhythm before being bumped round home turn which contributed to it failing to finish off as expected. A post-race vet exam revealed a laceration to n/fore which was treated.

When questioned re tactics adopted, Rdr advised instructions were to obtain a forward position behind the leaders, however after not beginning well, was obliged to take up a position at rear. Said mare then commenced to over race in the middle stages before electing to shift wider to improve from the 600m, adding mount did not handle the tighter turning track.
