S. Comments: When asked about performance, Rdr advised gelding travelled strongly in early and middle stages, however; failed to respond to riding in the home straight and was disappointing. A post-race vet exam revealed no abs. Tnr advised will have vet tests performed on horse in the coming days and report back accordingly. Trainer reported that the gelding was lame near fore leg post race.

When questioned, Rdr stated made the decision to shift to the out when rounding home turn, however when the runner in front shifted wider, it resulted in being caught to the outside of the heels of horse and as a consequence, was unable to secure clear running for the remainder of the home straight.
