S. Comments:Passing the 1400m had to be steadied when momentarily tightened for room. When questioned regarding the performance, Jockey explained that he had been instructed to ride the gelding in a forward position, in accordance with its established race pattern. He said that when the pace quickened he was only able to maintain a midfield position, where his mount travelled fairly throughout, however when placed under pressure in the straight failed to respond to his urgings and was disappointing. A post-race veterinary examination revealed that the gelding had sustained lacerations to both hind legs.
