S. Comments:Began very awkwardly and shifted out. Improved onto heels near the 400m and had to be steadied. Forced wider near the 150m. When questioned regarding the horse's performance, L. Rolls stated that it was his intention to ride the horse in a more forward manner, however after it began awkwardly he was obliged to ride the horse back in the field. He added that his momentum was impeded rounding the home turn and once switched to the outside, the horse found the line well. Stewards noted his explanation. Lost its near fore plate in running.

S. Comments:Raced 3 wide without cover throughout. Lost its off fore plate in running. Inquiry re tactics adopted. Jockey J. Byrne stated that his intention was to take up a forward position, and near the 1000m when he attempted to shift in to obtain cover behind the leaders, TARBERT and URUBAMBA had improved to his inside, which resulted in him being unable to obtain that position. As a result he was obliged to race 3 wide without cover throughout. Jockey Byrne added that, in his view, the tempo of the race was not overly strong and therefore he had no concerns with racing in that position.

Intentions was to trail PROFILER and then shift wider rounding home turn. Gelding over-race and near 600m checked when placed in restricted room to inside of PROFILER. Took a number of strides to regain balance and was unable to improve when continually placed in restricted room to inside of PROFILIER until near 400m when unable to place gelding under pressure however, it failed to respond as expected and proved disappointing. |              |                   |                     |   |                          |

When questioned as to performance, Jockey stated in early stages he found a nice position, however, when PARTY TILL DAWN was restrained in front, SUPER KANGAROO which was following commenced to over-race and shifted out taking him 3 wide. He said as a result he was left in that position and then raced awkwardly at heels near the 500m and again near the 300m.
