S. Comments:B. Pengelly was asked to comment on the horse's performance. He indicated that after travelling well, the horse did not let down as he had anticipated. He added that the horse's breathing was somewhat unusual during the event and he was disappointed with the way in which the horse found the line. A post-race veterinary examination revealed no abnormalities. Trainer B. Lockwood advised that in light of jockey Pengelly's comments he would add a tongue tie to the horse's gear and he was of the view that a step up in distance would be beneficial for the horse.

Stable rep questioned re drift in betting. Explained horse had worked well on Tuesday and that there had been no issues with horse leading into the race. Added that whilst horse had recently been competing in better class of races, it had been well beaten in those events. Post race vet failed to reveal any abnormalities.

Cahill in relation to his riding from the 700m when it appeared he had opportunity to improve between horses M Cahill agreed the horse was travelling well enough to improve at this point, however as TUMBLING AL had been inclined to hang out and he had similar concerns that DREAM SPEED may shift in, he was reluctant to improve into what he felt was only a tight run. S. Comments: When questioned Jockey said that after beginning fairly and when runners to his inside showed superior speed, he elected to ride his mount in a rearward position with cover, where it travelled comfortably throughout, however after being inconvenienced near the 700 metres lost further ground. He said that approaching the home turn he was in a winnable position, however the gelding failed to respond to his riding and went to the finish only fairly. A post-race veterinary examination did not reveal any abnormalities.

S. Comments: Questioned re overall performance - rider stated after beginning well he was able to take up a handy position where the gedling travelled comfortably. Commenced to improve into the race rounding the home turn but failed to finish off the race as expected over the final 200m and prove dissapointing. Trainer thought the gelding raced flat today and may be better suited when ridden in the second half of the field. Indicated gelding would be freshened up before its next start. Vet exam - short striding in front.

S. Comments: Questioned re the tactics adopted. Rider stated that his instructions were to improve into the race from the 1200m as this is how the horse performs best. He added that the gelding is one-paced and after he commenced to improve, into the race, BROQUALO shifted wider and commenced to improve, resulting in him being placed 4 wide, and when the tempo of the race improved leaving the 800m, he was unable to push forward to the lead and was caught 3 wide. Trainer confirmed the instructions and was satisfied with the tactics adopted on the horse as it performed best when ridden in this faction.
