S. Comments:After being held up in traffic, underwent a veterinary examination and cleared to take its place in the field. Slow to begin. Stewards asked apprentice C. Dell to comment on the performance. He indicated that the horse was slow to begin and he was forced to ride his mount further back in the field than he would have liked and was also obliged to pressure the horse from the 700m and despite this the horse responded to his riding over the final 300m and was doing its best work over the concluding stages. He indicated the horse would appreciate the step up to 1600m.
