S. Comments:Steadied when inconvenienced slightly near the 1000m, then overraced for some distance. Inquiry re early tactics. He said from the wide draw, and speed inside, he restrained, trying to cross and find a midfield rail position. He said at the start it was reluctant to stretch out early and got further back than anticipated, and in the back straight began to travel strongly and overraced but then travelled nicely thereafter, and in the straight despite having an uninterrupted run, it only finished off fairly, adding he would recommend it be stepped up in distance.

S. Comments:Commenced to pull hard after leaving the 800m. Apprentice S. Eilbeck was questioned regarding the tactics she adopted after leaving the 600m. She stated that at that stage of the race the mare was travelling well and she elected to ease out to be ready to place pressure on the leaders on straightening, however her mount was then forced to race four wide. Apprentice Eilbeck agreed that she had erred by shifting out at a critical stage of the race near the 500m rather than staying in with cover.

Added he did not apply the whip behind the saddle as he was of the view that slapping the horse down the shoulder was sufficient to get the horse to finish the race off at its best. Explanation noted but reminded in future expected to ride mounts out in a manner which does not leave him open to question.

S. Comments:Bumped by another runner on a number of occasions near the 500m. Following the event apprentice A. Fancourt and trainer's representative Mr D. Gollan both advised that in their opinion the filly raced greenly today and would derive a benefit from the race experience, given it was having its first start. They added that in their opinion the filly would be better suited in races over a further distance than today's event moving forward in its preparation.

 S. Comments:Bumped its near-side hip when entering the saddling enclosure. A subsequent veterinary examination cleared the horse to start. The horse lost its near hind plate and when this plate was unable to be replaced, the off side plate was removed and the horse was permitted to race barefoot behind. Hung out from the 800m. A warning was placed on the horse's overall performance as it weakened badly in the home straight.

S. Comments:Stewards questioned apprentice J. Oliver regarding the tactics adopted. Apprentice Oliver stated that his intention was to settle in a midfield position if possible after he had received no specific instructions, and after beginning on track with the field he was of the view if he had restrained to take up a midfield to back position he would have been caught wide, and given the fact that it was a 1000m event he elected to ride forward and take up a forward position. Stewards noted the explanation.
