Griffin indicated from the wide barrier he was obliged to position the gelding at the tail of the field and as the horse races over longer distances it was doing its best work over the concluding stages and would benefit from a step up in distance. He indicated he had been held up for clear running from the 600m to the 400m and after being afforded clear running laid in under pressure and was also inconvenienced near the 300m. Jockey Griffin added he again had some difficulty securing clear running until the final 100m when the horse finished the race off well.

Byrne stated that his intention was to take up a forward position, and near the 1000m when he attempted to shift in to obtain cover behind the leaders, TARBERT and URUBAMBA had improved to his inside, which resulted in him being unable to obtain that position. As a result he was obliged to race 3 wide without cover throughout. Jockey Byrne added that, in his view, the tempo of the race was not overly strong and therefore he had no concerns with racing in that position.

S. Comments:Bumped near the 1500m. On returning to scale jockey N. Tomizawa advised that his mount at no stage handled the prevailing track conditions tonight and when asked to improve into the race from the 600m when ridden along with the whip the gelding failed to respond to his riding and for that reason he desisted from pressuring the horse over the concluding stages. A post-race veterinary examination revealed no abnormalities.
