 S. Comments:Began awkwardly and shifted in. Near the 1000m shifted in and bumped another runner. When caught wide during the early stages, ridden forward to obtain the lead. Questioned re performance - rider stated intention to obtain handy position with cover. From wide barrier obliged to race wide early so elected to press forward to the lead. Once in leade filly refused to settle due to horse outside of it racing fiercely. Felt these factors contributed to filly failing to finish off race as expected. Noted filly would derive a fitness benefit from today's run.

When questioned, rider said after beginning well he obtained the lead, however at the 800m he allowed another runner to cross him. He said from that point the horse proved one-paced and failed to sprint as he expected and ran on only fairly in the straight. He added that bearing in mind the manner in which the horse finished the race off, in his opinion it may have been a better option maintaining the leading position rather than allowing his mount to be crossed.
