S. Comments:Slow to begin. Questioned re tactics rider stated that from his wide barrier and with the colt wearing blinkers again today, his instructions were to be in a forward position. He said that, after being slow to begin, he rode along, where the colt commenced to overrace in the early and middle stages and consequently he was obliged to allow the horse to stride forward and lead. Trainer agreed that the colt overraced in blinkers and indicated he would consider removing this gear and adding winkers. Vet exam revealed showing signs of respiratory distress and had abraded near hind bumper.

S. Comments:When questioned regarding the disappointing performance app H English stated the gelding travelled comfortably just off the speed in the early and middle stages of the event, however when placed under pressure in the home straight, did not respond to her riding, and in her opinion was disappointing. Trainer P Sexton was of the opinion WINNER WIMMER is better suited to races over a longer distance. A post race veterinary examination of the gelding failed to reveal any significant abnormality.
