S. Comments:Had difficulty obtaining clear run round h/turn & early in straight before obtaining clear run passing 100m. When quest re level of vigour shown over concluding stages, Rdr stated was very mindful of racing manners of runner racing forward of mount & had shifted out abruptly before starting to shift back in-further said was concerned that runner was shifting in under pressure, and if it continued to do so approaching w/post would be precariously placed on heels-acknowledged after seeing footage, there was sufficient room to continue to ride. Explanation accepted.
