S. Comments:When questioned regarding the disappointing performance of the gelding rider stated that his instructions had been to lead, however, despite beginning well he was unable to improve to cross the runner to his inside and elected to race to the outside of the leader. He added that, despite travelling well in the middle stages, the gelding did not handle the ground, was under pressure from the 600m and was disappointing in its failure to finish off the race. A post-race veterinary examination did not reveal any abnormality.

S. Comments:When questioned apprentice explained he had been instructed to lead. He said after obtaining the lead in the early stages he elected to restrain his mount in an attempt to slow the tempo. He said at this point near 1000 metres other runners improved to his outside and in doing so crowded his running resulting in him losing ground. He added soon after he was held up on heels. He said he was again held up in straight and did not obtain clear running until near the 100 metre. Stewards advised apprentice that he should have made a greater effort to hold the lead when the tempo was only moderate.
