S. Comments:Bumped at the start. Stewards questioned Apprentice regarding his riding of the gelding. He said that he had been instructed to ride the gelding midfield with cover. He added that approaching the 600 metres his mount raced keenly and improved onto the heels of the eventual winner and shifted out, resulting in him then having to sustain a 4-wide run without cover from the 600 metres. Apprentice concurred with stewards that he would have been better served by attempting to remain racing on the back of the winner, rather than place too much effort on his mount, and improve from that point.

S. Comments:Stewards considered an objection lodged by second placegetter against the gelding, alleging interference over the final stages. On the evidence it was established that inside the final 30 metres gelding shifted out under riding and bumped the second placegetter carrying it wider. Bearing in mind the manner in which both horses ran to the finish, and the margin of a nose between them at the finish, stewards were comfortably satisfied that had the interference not occurred second placegetter would have finished ahead of the gelding. Accordingly the protest was upheld and the placings amended.

S. Comments:When questioned Apprentice said that from the wide draw, when runners to his inside showed superior speed, he elected to ride his mount back in the field with cover, where it travelled comfortably. He said that near the 600 metres he placed the gelding under pressure, however it did not respond to his riding. He added that in his opinion the gelding may not have backed up from its most recent start. A post-race veterinary examination did not reveal any abnormalities.
