S. Comments:On return to scale Jockey lodged an objection against the winner alleging interference near the 800 metres. After taking into account their submissions and after viewing the films Stewards established that after mare was slightly slow to begin Jockey rode his mount along and after being crossed near the 800 metres it commenced to overrace and hung out badly from that point. When Stewards were comfortably satisfied that winner was clear to cross runners to its inside and that mare hung badly as result of its own racing manners, Stewards dismissed the objection.

S. Comments:For some distance passing the 700 metres was buffeted between runners, then commenced to over-race. Rounding the turn near the 500 metres hung out despite the efforts of its rider and carried another runner wider on the track, resulting in that runner then becoming awkwardly placed on the heels of the mare and having to be continually steadied. A post-race veterinary examination of the mare revealed the mare to have been galloped on. Trainer will be interviewed. Trainer advised the mare will now be sent for a freshen up.
