S. Comments:Raced 3 wide without cover. Rider said from the wide draw he let the horse stride forward, however was unable to find a position closer than 3 wide. When asked why he did not elect to stride forward and cross runners to his inside, he said in his opinion the tempo of the race was solid and he was concerned that he would have had to make too much use of the horse to gain a position closer to the rail and therefore allowed it to travel comfortably and improve into the race of its own accord. He thought the track towards the rail was inferior and he was comfortable to remain racing 3 wide.

S. Comments:Began awkwardly and shifted in. Questioned re tactics in setting fast tempo - instructed to lead and then improve from 600m to obtain winning advantage on field. Complied with instructed but conceded that the tactics adopted had a detrimental effect on horses' performanc. Stewards critical of rider's actions in that once obtaining the lead near the 1100m she should have continued to restraining it in the middle stages to give it every opportunity to finish the race of instead of allowing it to stride forward leaving the 700m.
