From the 900m horse was inclined to lay in and despite his efforts would not respond. He added that despite his efforts the gelding failed to respond to his riding in the straight and was most disappointing. Trainer indicated horse had previously performed poorly at Doomben and may be better suited on bigger tracks. Post race vet - no abnormalities.

S. Comments:When questioned as to the improved performance stable representative G Green stated that at its last start the gelding, after beginning well, over-raced for the majority of the event when positioned outside the leader and as a result compounded over the concluding stages on that occasion. Mr Green stated that the gelding performs better when able to be ridden with cover as it was today. His explanation was noted.

S. Comments:Questioned re performance - rider intention to settle towards rear. Tried to position mare off the fence in early stages in better going but was unable to do so due to another runner being position to her outside. Failed to improve into the race from the 600m and was most disappointing. Trainer stated mare had trialled 3 times leading into race, which in his opinion were only fair. Had been hopeful of a good performance based on form but not overly confident based on work and trials. Provided mare pulled up well would look to step it up in distance. Post race vet - no abnormalities.

S. Comments:Rider reported that it had not been her intention to lead the race, however after attempting to restrain to take up a position In the second half of the field, she became aware that she would not be able to secure a position closer to the fence and therefore passing the 1200m elected to ride vigorously to take up a forward position and assume the lead. She added that in her opinion this had a detrimental effect on the horse's overall performance and the horse weakened over the concluding stages.

 S. Comments:Began awkwardly and shortly after had to be steadied from the heels of Single Gaze, which shifted in. When questioned, J. Collett stated that his mount was inclined to hang out throughout the event and after the 200 metres shifted out abruptly. He added that upon return to scale he had observed his mount's tongue over the bit which he believed was the principal factor in his mount's poor tractability during the event. A post-race veterinary examination of the filly revealed no abnormalities. Trainer Mr B. Cavanaugh advised that the filly would now be sent for a spell.

 S. Comments:Badly hampered when Joyful Journey was taken in by Choix De Maia, which jumped awkwardly. When questioned regarding the performance of the filly, J McDonald stated that he improved through on the inside of runners rounding the home turn, but the effort of Abduction was short lived and it was most disappointing in its failure to finish the race off over the final 200m. A post-race veterinary examination did not reveal any abnormalities. Stable representative Mr D Beadman undertook to report back as to how the filly pulled up and the future race plans for Abduction.

Al held its position to his inside in the early stages, he elected to come back and follow that

runner and, as a consequence, raced further back than he had intended. He added that, whilst he had the option of going forward and crossing Another Al in the early stages, he was

mindful that the gelding had overraced at its last start at Rosehill on 28 March 2015.
