Therefore elected to stride forward to eventually settle outside leader. Trainer stated horse had been notoriously slow to begin and with blinkers off today began better than expected resulting in it racing further forward than anticipated. Best suited when ridden with cover.

He added that he advised trainer M. Lakey that in his opinion the horse would be better suited on a bigger track and over a longer distance that that of today's event. Stewards noted his explanation. S. Comments:Caught wide in the early stages, allowed to stride forward by its rider to a position closer to the rails near the 1200m. Had a tendency to race keenly from the 1200m to nearing the 1000m. Apprentice E. Ljung advised that after beginning awkwardly and being caught wide in the early stages, her mount eventually settled near the 1000m and obtained a comfortable run for the remainder of the event, however when placed under pressure failed to respond to her riding and in her opinion proved disappointing. A post-race veterinary examination revealed no abnormalities.
