Trainer T. Hall agreed with these comments, and undertook to report back to stewards any abnormalities that may come to light which may explain today's performance. A post race veterinary examination of the horse, which compounded badly in the home straight, failed to reveal any significant abnormalities.

S. Comments:The start was delayed when the horse lost its near fore plate during the preliminary. After being replated, was examined by the veterinary surgeon and cleared to start. On return to scale rider N. Thomas was of the opinion that the gelding put in an awkward stride near the 100m and may have suffered an injury on pulling up. A post race veterinary examination failed to reveal any significant abnormalities.
