S. Comments:Rider questioned regarding her vigour from near the 500m until approaching the 300m. She said she slapped the horse down the shoulder approaching that point and it became awkward and shifted out. She then balanced it again and was concerned that as it was having its first start, it may make the turn awkwardly and she was reluctant to apply full pressure at that point. Stewards advised Ms Lacy that in similar circumstances she would be expected to apply full vigour as the horse had become more tractable at that point, however given her limited experience, took no further action.

He added that the filly had been freshened up to suit over 1200m and when the race was shortened again to 1100m due to the meeting being transferred to the cushion track, he indicated that this did not suit and as a result the horse was under pressure throughout the event. A post race veterinary

S. Comments:When asked to comment on the horse's performance, jockey D. Griffin explained that with the pace that was set early, his mount never travelled comfortably on the bit and, further, he felt with the rail being out 10 metres, the horse was not comfortable on today's racing surface. He added that he advised trainer M. Lakey that in his opinion the horse would be better suited on a bigger track and over a longer distance that that of today's event. Stewards noted his explanation. Trainer agreed with rider's assessment and said he would step the horse up over further ground at its next start.

S. Comments:When questioned regarding the disappointing performance, apprentice L. Trainer T. Hall agreed with these comments, and undertook to report back to stewards any abnormalities that may come to light which may explain today's performance. A post race veterinary examination of the horse, which compounded badly in the home straight, failed to reveal any significant abnormalities.

Vetted in days following race with no abnormalities. Will trial gelding in unofficial trial prior to next start as it had performed well first up last campaign following a number of lead up trials. Previous campaigns to that had always performed poorly when first up.
