Rdr explained after being held up from 500m, attempted to shift out near 400m to improve outside another runner, however, that gelding shifted out & felt would have caused interference had continued to shift out at that point-then improved to the inside, following eventual winner & approaching 200m, began to angle out in an attempt to improve to outside of winner, however that gelding then shifted out affording clear run to improve inside, however, shortly after near 150m, checked to avoid tiring runner-held up to 50m

 S. Comments:B/Awk & lost ground. Raced green in h/straight. When quest, Rdr explained asked to come out neutral on filly & settle behind speed, as at previous starts, had raced too keen early-said filly was fractious in gates, began awkwardly & settled at rear-said did not wish to apply too much pressure early, as concerned it may again over race-added mount inclined to lay out round h/turn, however, once balanced, finished off well. Notified ride early was of concern & would be expected in similar situations to apply more pressure in early & middle stages to ensure mounts placed in competitive position.
