S. Comments: When questioned regarding her riding of the mare, Apprentice explained that she had been instructed to take up a midfield position, however after beginning awkwardly she rode her mount along to obtain a favourable position, where the mare travelled strongly. However, shortly after straightening she attempted to improve to the inside of another runner but was disappointed for that run and as a result was held up for the entirety of the home straight and went to the finish without being tested. S. Comments: As the start was effected the saddle shifted backwards significantly resulting in the gelding attempting to buck for some distance in the early stages, losing considerable ground and placing him at a significant disadvantage for the remainder of the event. The gelding then raced wide throughout. Stewards inspected the gear of Jockey and found it to be in good working condition.
