S. Comments:Stewards considered an objection lodged by second placegetter against the gelding, alleging interference over the final stages. On the evidence it was established that inside the final 30 metres gelding shifted out under riding and bumped the second placegetter carrying it wider. Bearing in mind the manner in which both horses ran to the finish, and the margin of a nose between them at the finish, stewards were comfortably satisfied that had the interference not occurred second placegetter would have finished ahead of the gelding. Accordingly the protest was upheld and the placings amended.

S. Comments:Shifted out under pressure in the home straight. Questioned re tactics - rdier stated no specific instructions issued. Last 2 starts obliged to restrain to find cover at rear of field from wide barriers. His intention to obtain handy position from more favourable barrier but when field began on terms he pressured the gelding so as not to be caught 3 wide in the early stages. Gelding then commenced to overrace which resulted in him leading which was not his intention. Explanation noted.

S. Comments:As the start was effected the saddle shifted backwards significantly resulting in the gelding attempting to buck for some distance in the early stages, losing considerable ground and placing him at a significant disadvantage for the remainder of the event. The gelding then raced wide throughout.

Stewards inspected the gear of Jockey and found it to be in good working condition.
